The diagram consists of 16 horizontal bars arranged in two columns of eight. The bars alternate between light blue and light yellow. Each bar contains a small gray square icon. The left column starts with a light blue bar, and the right column starts with a light yellow bar. The bars are arranged in a sequence that suggests a process or a timeline.

The image displays a 10x3 grid of alternating light blue and light yellow rows. Each row contains a small gray square icon with a black border, positioned in the center of the row. The icons are arranged in a regular grid pattern, with one icon per row and column. The background is a solid light gray.

# Medical Vendors DC

Based on Supplier Directory Data

The image displays a 4x4 grid of 16 squares. Each square in the grid contains a smaller square with a black border and a white center. The grid is composed of alternating light blue and white horizontal bands. The squares are arranged in a regular pattern, with one square in each cell of the 4x4 grid.
